In the Community

Across our region, there are nearly 1,000 children who currently cannot return to their homes, and more being removed each month due to abuse, neglect and endangerment. Place of Hope is responding to the plight of foster children and human trafficking victims by believing every child deserves a life free of endangerment and abuse.

There is Hope

Thanks to a generous gift from Kelly Woods Fleming and The Woods Family Foundation, this year's event will feature special guest speaker Leigh Anne Tuohy! Please join us in restoring hope in the lives of these children by being a sponsor at our annual Brunch and Benefit on April 27, 2017. We anticipate over 500 local and influential women, business leaders and moms in attendance to raise vital funds to support the children and youth who call our cottages "home."

Your sponsorship directly ensures a bright future for these precious children and youth. By underwriting a portion of the event, you are allocating all event funds raised directly to the programs and services for those we serve together.
