

Sixth Annual Angel Moms
Anchored in Hope
BRUNCH and BENEFIT

Place of Hope at The Leighan and David Rinker Campus is hosting our **Sixth Annual Angel Moms Brunch and Benefit** in support of our mission to provide family-style foster care (emergency and long-term); family outreach and intervention; maternity care; safety for victims of domestic minor sex trafficking; transitional housing and support services for youth aging out of foster care; housing and support services for homeless families; foster care recruitment and support; hope and healing opportunities for children and families who have been traumatized by abuse and neglect throughout our region. On a daily basis, we provide a full continuum of care, newborn to age 25, for 340 children and youth in our region.

The Angel Moms Brunch and Benefit will be held on **Tuesday, April 9, 2019 at Royal Palm Yacht and Country Club**. This inspirational event will help us raise critically needed funds for local programs, services and housing. This will help provide hope and healing to the children and young adults who call Place of Hope at The Leighan and David Rinker Campus home.

For our **2019 Leighan Roberts Rinker Angel of Hope Award**, we are honoring the founders of **Impact 100**, Cindy Krebsbach, Lisa Mulhall and Tandy Robinson. They have created an amazing movement for women in this community to collectively gather their resources through membership and share them with many worthy causes in this community. Place of Hope at The Leighan and David Rinker Campus was a benefactor in 2018 of one of their high impact grants of \$100,000. We are thrilled to honor them for the work they do on behalf of so many organizations like ours!

On behalf of our Co-Chair Committee, Susan Brockway, Mary Donnell, Renee Feder, Kelly Fleming, Jeannine Morris, Niki Pepper, Wendy Sadusky and Nikki Stelzer, we hope that you will consider being a part of this wonderful brunch event. We have attached an overview of the benefits that will go along with your sponsorship of this event.
