Impact100

The Power of Women Giving as One

8th Annual Meeting and Grand Awards

Wednesday, April 17, 2019
Lynn University's Keith C. and Elaine Johnson Wold Performing Arts Center*
Boca Raton, FL

Doors open at 5:30 pm • Presentation Begins at 6:45 pm

**This event is not hosted, co-sponsored or endorsed by Lynn University*

Impact 100 Palm Beach County is a women's charitable organization funding local nonprofit initiatives. Members donate $1,000 annually, pool their funds and attend one meeting every year where they vote and award multiple $100,000 grants to local nonprofits serving southern Palm Beach County.

A MESSAGE FROM OUR FOUNDING CEO

Dear Faithful Supporter,

Thank you for joining us today for our 6th Annual Angel Moms Brunch and Benefit. We are excited that you have chosen to collaborate with us as we focus on restoring hope to abused children and youth in our backyard. Just by being here today, you are demonstrating your support of Place of Hope's mission to honor God by serving traumatized children, young adults and families throughout our region. Your support today helps to increase our ability, as our region's largest child welfare organization, to care and provide for local youth in desperate need.

For three years, Place of Hope was ranked by Charity Navigator as number one in the nation for Youth Development, Shelter and Crisis Services. This is in addition to the four-star rating from the organization, the highest honor awarded. This is only possible with the support of our community and God's provision; we appreciate you! Please help us continue to expand to impact the lives of even more young adults.

We are proud to present the 2019 Leighan Roberts Rinker Angel of Hope award to three outstanding leaders in our community – Cindy Krebsbach, Lisa Mulhall and Tandy Robinson. These women are the founders of Impact 100 Palm Beach County. Their initiative to create a women's charitable organization has continued to grow and to date they have distributed over $2.7 million to local non-profits. Place of Hope at The Leighan and David Rinker Campus is grateful to receive a $100,000 grant from Impact 100 Palm Beach County. This grant helped to complete the financing of our Gary Peters Family Transitional Housing Complex. Their vision of woman's collective giving has blessed our campus by allowing us to continue our mission of supporting youth that have aged-out of the foster care system, otherwise homeless youth and single mothers.

We hope your experience today is both memorable and inspiring. On behalf of the children, staff, volunteers and the Board of Directors, thank you for choosing to make a difference in the lives of children at Place of Hope - one child at a time.

Charles L. Bender III
Founding CEO
Place of Hope at The Leighan and David Rinker Campus

THANK YOU FROM
THE CO-CHAIRS

Welcome to the 6th Annual Angel Moms "Anchored in Hope" Brunch and Benefit. It has been our pleasure to serve as co-chairs for this event. This event supports the important mission of Place of Hope, to provide hope and healing opportunities for children and families who have been traumatized by abuse and neglect throughout our region.

As Angel Moms, we serve as ambassadors in our community for Place of Hope at The Leighan and David Rinker Campus by bringing awareness to the need for continuing care for youth who have aged out of the foster care system, otherwise homeless youth, single mothers and victims of human trafficking. We serve the children and youth at Place of Hope by imparting faith, hope and love into their lives even if they have perhaps lost faith in themselves due to their circumstances.

We invite you to join Angel Moms, a dynamic and immeasurably compassionate group of women. You can easily get involved by attending one of our monthly information coffee sessions to find out more about Angel Mom opportunities! The role of an Angel Mom is vital as they form the core of dedicated and kindhearted volunteers and financial supporters who actively engage on campus. Angel Moms use the incredible gifts and influence God has given them to positively impact the youth.

We hope you enjoy this beautiful and inspiring annual event. Please know that your support is making a direct impact in the lives of these children and young adults right here in Boca Raton.

A MESSAGE FROM THE ANGEL MOMS PRESIDENT

Jeannine Morris

Good morning Angel Moms and esteemed guests,

Welcome to Place of Hope's 6th Annual Brunch and Benefit! The mission of Place of Hope is critical to our community and is vital to the children and young adults in our local area who, tragically, have been victims of abuse, abandonment, neglect and human trafficking. It is very disconcerting to consider the plight of many of these local youth but it is uplifting, important and reassuring to see so many Angel Moms, community members and guests attending today to make a true difference in the lives and futures of these children and young adults.

It is an honor to serve as the President of Angel Moms, the dedicated and tireless corps of volunteers who provide encouragement, care and support to the young adults and their children on campus. Angel Moms serve by cooking meals, organizing holiday and birthday celebrations, tutoring, mentoring and by developing meaningful, trusting relationships to ensure their lives are "anchored in hope." Although Angel Moms serve alongside one another to meet the needs and enrich the lives of the youth on campus, ironically, it is our lives, through our Angel Mom involvement, that are enriched through friendships formed and through emotional experiences shared while investing in the lives of these children and young adults. We hope you will join us in this mission!

As part of our 6th Annual Brunch and Benefit, we are delighted to honor the members of Impact 100, who recently awarded Place of Hope's David and Leighan Rinker Campus an Impact 100 Palm Beach County Award. This grant will help to make possible the completion of one of four multi-family, transitional housing units currently under construction on campus. The completion of this "village" will ultimately create homes for 64 youth who have aged out of the foster care system, would otherwise be homeless, single mothers and victims of human trafficking.

Today, therefore, is a celebration—of volunteerism through our Angel Moms group, of generosity through the grant awarded by the members of Impact 100 and of our collective commitment to continuing to achieve the mission of Place of Hope!

Sincerely,

Jeannine Morris

Laura Kennedy Begnoche

We celebrate the memory of this special founding Angel Mom who was always thinking of others and had a tremendous heart for the children and youth at Place of Hope. Her smile, caring heart, love for her family and God and amazing attitude in the midst of illness will forever inspire us.

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus. Philippians 4:6-7

PLACE OF HOPE

Three Years In A Row!

for Youth Development, Shelter, and Crisis Services by Charity Navigator

Seventh consecutive 4 out of 4-star rating from Charity Navigator! 2013, 2014, 2015, 2016, 2017, 2018 & 2019

In 2018, Place of Hope received the GuideStar Platinum Seal of Transparency. This is the highest level of recognition a non-profit is able to obtain!

Sun Sentinel selected Place of Hope as a 2016 SunSentinel Top Workplace!

CHARITY NAVIGATOR ★★★★ Four Star Charity

Charity Navigator, America's leading independent charity evaluator, works to advance a more efficient and responsible philanthropic marketplace by evaluating the Financial Health, Accountability and Transparency of 8,000 of America's largest charities.

SEAL OF TRANSPARENCY PLATINUM

GuideStar gathers and disseminates information about every single IRS-registered nonprofit organization. They provide as much information as they can about each nonprofit's mission, legitimacy, impact, reputation, finances, programs, transparency, governance, and so much more.

The Leighan and
David Rinker Campus

Our Mission

Place of Hope at The Leighan and David Rinker Campus is dedicated to providing a stable and loving family environment for hurting children and their families. We are committed to meeting desperate needs in our community by sharing God's love and placing hope in their lives - one child and family at a time.

Our Vision

With regard to children entrusted to our care and their families, we strive to foster hope rather than despair, potential rather than limitations, healing rather than hurting, belonging rather than isolation, and what the future can be, rather than what the past has been.

Our Purpose

Place of Hope is a unique, faith-based, state-licensed children's organization providing family-style foster care (emergency and longterm); family outreach and intervention; maternity care; safety for victims of domestic minor sex trafficking; transitional housing and support services for youth aging out of foster care; housing and support services for homeless families; foster care recruitment and support; hope and healing opportunities for children and families who have been traumatized by abuse and neglect throughout our region.

OUR STRENGTH IS IN FAMILIES. OUR HOPE IS IN GOD!

"Seek justice. Encourage the oppressed. Defend the cause of the fatherless..."
Isaiah 1:17

The Leighan Roberts Rinker Angel of Hope Award

Dr. Leighan Rinker (left) with Place of Hope's Founding CEO, Charles L. Bender III, and Place of Hope at The Leighan and David Rinker Campus' Director of Advancement, Lisa McDulin.

Oprah Winfrey once said, "I've come to believe that each of us has a personal calling that's as unique as a fingerprint – and that the best way to succeed is to discover what you love and then find a way to offer it to others in the form of service, working hard, and also allowing the energy of the universe to lead you."

This quote beautifully describes the group of 160 amazing women known as "Angel Moms." In five short years, the Place of Hope Angel Moms have touched the lives of the children living on the Leighan and David Rinker Campus in many profound ways. In addition to raising funds for buildings, supplies, food and "extras" to benefit our kids, they provide tutoring, mentoring, meals, enrichment activities and their warm, loving personal touch for 22 children. If there is a need, the Angel Moms immediately respond to fill the need, personally and through their large network of community connections. This is their "calling" and their love is transforming lives while giving healing and hope. I am deeply grateful for each of these dedicated women!

Most fondly,
Dr. Leighan Rinker - Inaugural Angel of Hope

In 2015, we introduced a new element to our Brunch and Benefit by naming an Angel Mom as our Angel of Hope. Our Angel of Hope is someone who exemplifies the three branches of the Angel Moms mission statement: awareness, service and support. Dr. Leighan Roberts Rinker was named as our first recipient for her tremendous support of children in need. The Angel of Hope award will continue to carry her name in honor of her dedication to our campus.

2019 Leighan Roberts Rinker Angel of Hope

Cindy Krebsbach, Tandy Robinson, Lisa Mulhall

It is such an honor for the three of us to be recognized as the Leighan Roberts Rinker "Angels of Hope" for 2019. As co-founders of Impact 100 Palm Beach County, we are so moved by the women who have joined Impact 100 to participate in high impact giving and who have made a significant difference in our community. Impact 100 Palm Beach County is a women's charitable organization funding local nonprofit initiatives. The Impact 100 grant of $100,000 to Place of Hope is the perfect example of the power of women giving as one. By pooling our donations, Impact 100 members were able to help Place of Hope complete its financing for the Gary Peters Family Transitional Housing Complex and make the dream a reality. For most of us, a donation of this magnitude may be in our hearts but is beyond our individual means. Impact 100 is the vehicle that allows us to make a singular local impact.

Impact 100 is comprised of a growing number of women (547 last year) who donate $1,000 annually, pool their funds and vote to award multiple $100,000 grants to local nonprofits. Now in its eighth year of grantmaking, Impact 100 has become a significant funding source in south Palm Beach County having distributed over $2.7 million to organizations serving our local community. We are a progressive leader in women's philanthropy, committed to strengthening our community through the collective resources of our members by awarding high-impact grants in five focus areas: Arts & Culture, Education, Environment, Family and Health & Wellness.

Place of Hope provides valuable services to children in the dependency system, pregnant teens, victims of domestic minor sex trafficking and those who have "aged-out" of care. In response to the desperate need for affordable housing, Place of Hope is developing the Gary Peters Family Transitional Housing Complex for independent living. The project will help to ease the financial burden of housing on the low-income population and will provide wraparound services to improve their current situations and give them hope for brighter futures.

Our biggest dream for Impact 100 Palm Beach County is that it continues to grow and be the vehicle that allows nonprofit organizations like Place of Hope to rise to the next level. We hope that you will consider joining our membership.

Sincerely,

Cindy, Tandy and Lisa
Impact 100 Palm Beach County Founders

2019 Volunteers of the Year

MARY DONNELL - MISSION SUPPORT

The very first time I heard about Place of Hope, I was drawn to it's mission of providing stable and loving family environments for children and youth who are hurting in our community. As I began volunteering first through Junior League Boca Raton and later as an Angel Mom, it became more evident that their leadership is dynamic, committed and caring. Providing affordable housing for kids who are aging out of the foster care system is a critical need in our community. Place of Hope is truly a special place that provides "HOPE" to the youth they serve, and I'm honored to support The Leighan and David Rinker Campus.

SHARI PARSON - SERVICE

My husband Jeff and I have been volunteering at Place of Hope for several years. Each week I cook and we have dinner with the kids. We sit around the table and chat, trying to give some normalcy to their lives. As time went by we would see changes - when kids first arrive they are usually sullen and untrusting. After a few weeks we'd see them relax and open up. Their growth from week to week is heartwarming. We have watched them lower their guard, open up, become more communicative, smile, laugh and eventually embrace their new home. We are fortunate to be able to give some light and love to the children on a consistent basis. We have seen first hand how Place of Hope heals. It is a wonderful organization that is dear to our hearts. The Angel Moms, volunteers, and the administrative team are some of the kindest, most supportive and generous people we have ever met. We appreciate everyone who gives their time, their talents and their hearts to the kids in our care. We are proud to be part of this wonderful community of friendship and service.

NIKKI STELZER - ADVOCACY AND AWARENESS

Several years ago I was on a tour of Place Hope, it was my THIRD time. Every time I left saying to myself, "Wow! There is something special going on here." I want to be a part of it, but I felt it was not the right time. Shortly after I had lunch with Lisa, we talked about how I wanted to get involved, but there was something holding me back. I was recently told it was very unlikely that I could ever have children. My heart was broken. The irony of selflessly giving to children whom were rejected by their families during a time when I was so desperate to start my own, was not lost on me. So I prayed on it, and ultimately decided to become an Angel Mom.

Opening up my heart to Place of Hope and the kids they serve began the healing I deeply needed. Lisa took the time to get to know me and my strengths. She asked me to do things that developed new talents that I never knew existed. My heart was full again. In early 2017 Lisa asked me to co-chair Hope Bash. I was honored but hesitant. No one knew at the time, but I was pregnant and due the week of Hope Bash. How could I say no?!? It seemed like divine intervention.

I serve because Place of Hope provided me hope and healing during a difficult time in my life and they do the same for every child that comes into their care. They take each child at their lowest, with their broken hearts and hopelessness, and build them back up. I've seen first hand how Place of Hope changes the lives of all those that come through their doors, including mine. So many lives are enriched through their work and in support of their mission, and I'm so honored to be a part of it.

BUILDING HOPE CAPITAL CAMPAIGN

"I truly believe when you have the ability and means to help others, you should never look away but rather embrace the opportunity to make a difference. Marble of the World is honored to be that good neighbor and contribute to the betterment of our community. Partnering with Place of Hope and positively impacting those it serves is an honor; knowing our products enhance and enrich the living spaces of those young lives has been and will continue to be a blessing in kind."

Charles Urso, President / Marble of the World

Building Hope Ancillary Partners

"GFA Internationals Teammates believe that family is where we learn to dream, embrace possibilities and plan our future. If we agree that a child's well-being starts in the family, then it is vital we fill in the gap for these children and give them a chance at a brighter future they each deserve. Place of Hope does whatever it takes to take health, joy and love to the lives of these children. We feel it is our responsibility to be able to play our role in supporting their efforts."

Frank Frione, CEO / GFA International Incorporated

"GL Homes is proud to support Place of Hope and its efforts to find foster children a forever home. GL's philanthropic focus is to work with charities to help break the cycle of homelessness. Place of Hope works with young adults who have aged out of the foster care system. If not for Place of Hope's efforts, these young people would be homeless. Place of Hope is making a difference statewide to better the lives of these promising young people."

Sarah Alsofrom, Community Relations / GL Homes

"GliddenSpina is proud to partner with Place of Hope because of the impact they are making on our local community. Restoring hope to such a vast variety of needs is truly an amazing accomplishment and we love being a part of it."

Keith Spina, CEO / GliddenSpina and Partners

"Rooms To Go is proud and happy to help Place of Hope where children and young adults are given an amazing opportunity for a brighter future."

Jeffrey Seaman, CEO / Rooms To Go

"There is no greater privilege to be able to use my God-Given gifts and talents to be a part of such a life changing organization like Place of Hope. While we all write checks to charities, I know we often wonder how those funds are used and what they accomplish. Place of Hope is the type of organization that you can go and witness for yourself how the lives of formerly abused and neglected children are being transformed in a miraculous way."

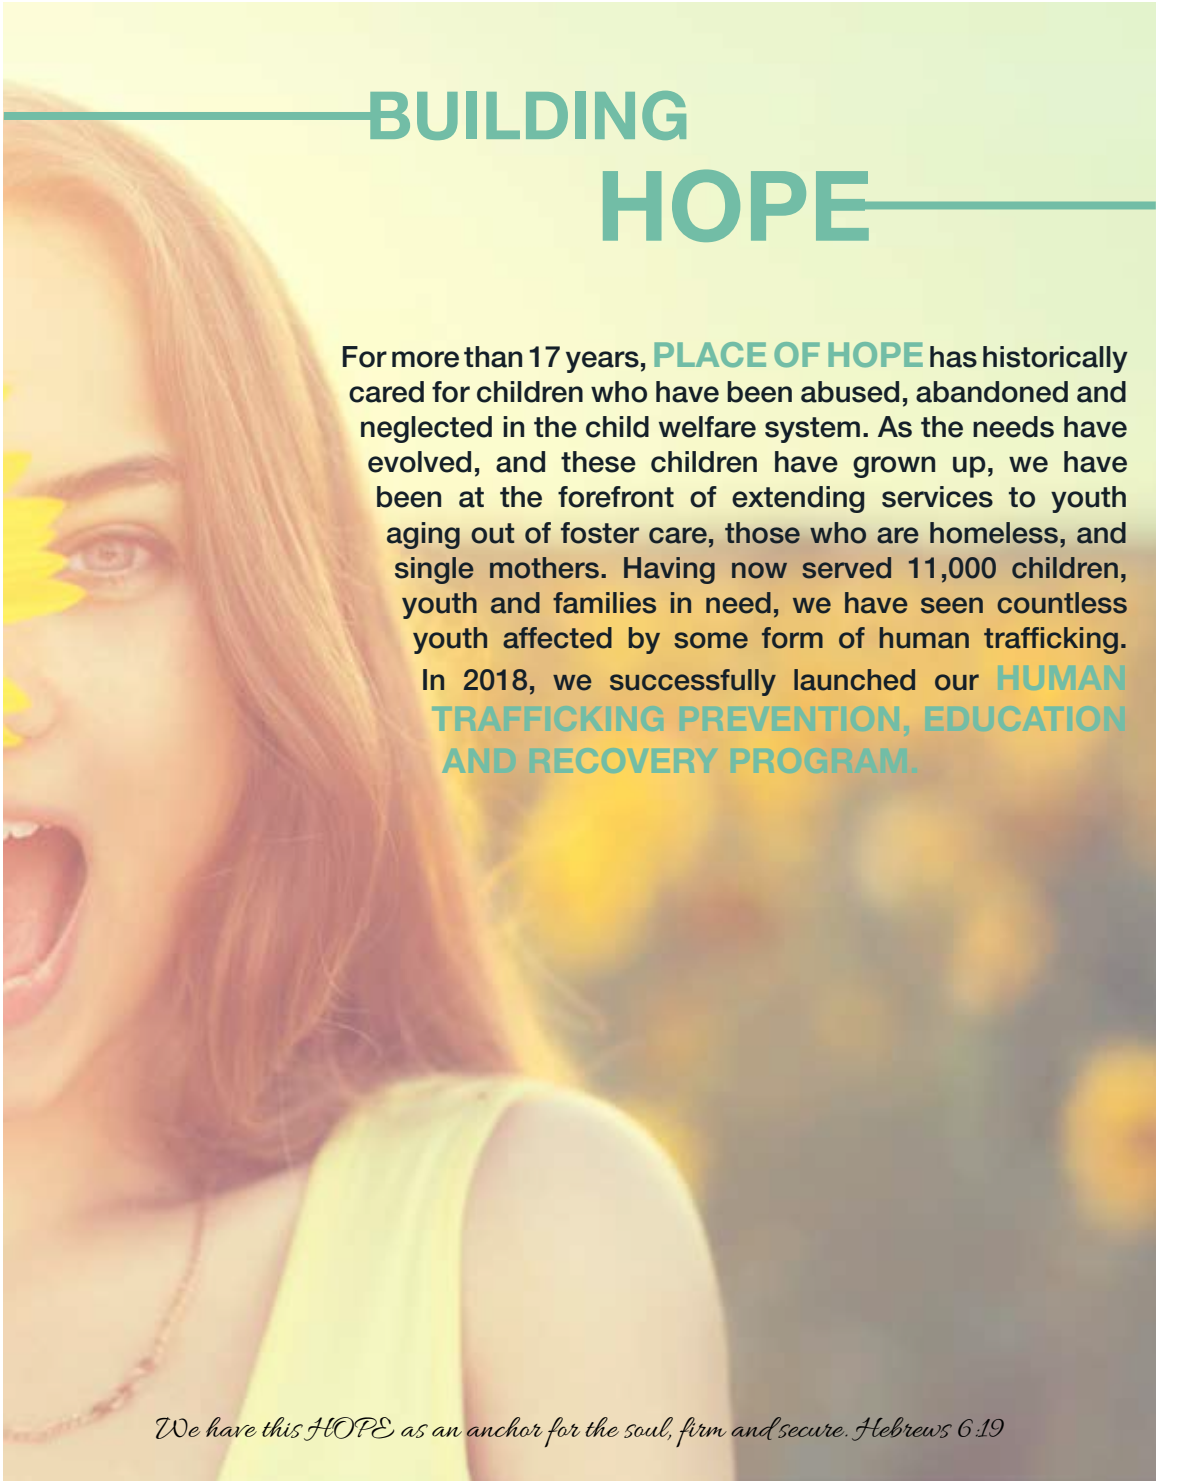
HUMAN TRAFFICKING
PREVENTION | EDUCATION | RECOVERY
Hebrews 6:19
PLACE OF HOPE
The Leighan and
David Rinker Campus



BUILDING HOPE

For more than 17 years, **PLACE OF HOPE** has historically cared for children who have been abused, abandoned and neglected in the child welfare system. As the needs have evolved, and these children have grown up, we have been at the forefront of extending services to youth aging out of foster care, those who are homeless, and single mothers. Having now served 11,000 children, youth and families in need, we have seen countless youth affected by some form of human trafficking. In 2018, we successfully launched our **HUMAN TRAFFICKING PREVENTION, EDUCATION AND RECOVERY PROGRAM.**

We have this HOPE as an anchor for the soul, firm and secure. Hebrews 6:19

WHAT IS HUMAN TRAFFICKING?

Human trafficking is described by some as modern-day slavery and is the buying and selling of humans for sex or labor purposes. Through human trafficking people profit from the control and exploitation of others. At **PLACE OF HOPE**, we serve sex and labor trafficking victims throughout all of our programs.

PROVIDING HOPE

Thanks to a lead gift from the Boca West Children's Foundation, **PLACE OF HOPE** has expanded services through our Human Trafficking Prevention, Education and Recovery Program to include prevention and education services to children on our campuses and the community. These services include awareness and education trainings for corporate and community members, prevention groups for at-risk youth and outreach in the community.

DID YOU KNOW?...

- **Florida Ranks Third in the Nation for Reported Cases of Human Trafficking**
- **Foster & Homeless Youth Are at Greater Risk to Become Victims**
- **Traffickers are Using the Internet to Target Community Kids**
- **Sex Trafficking is the #1 Type of Human Trafficking in Florida**

Florida is zero-tolerance for Human Trafficking. If you suspect human trafficking, call the National Human Trafficking Hotline at:
1-888-373-7888 or call your local authorities.

EDUCATION AND PREVENTION SERVICES

Place of Hope offers **SPECIALIZED TRAINING** to individuals, agencies, businesses and civic groups that have an interest in learning more about what human trafficking is. We offer a variety of **PREVENTION AND SUPPORT GROUPS**, including the My Life My Choice curriculum for youth at risk of being trafficked. Our staff and volunteers conduct **OUTREACH** in order to provide tangible resources and deliver hope to at-risk populations and potential trafficking victims beyond our campuses. We are in the process of developing a new revenue generating concept, Peninsula Coffee, to help combat human trafficking in our community. This **SOCIAL ENTERPRISE** will also create jobs for the youth in our care.

A Few Statistics...

- Over **6,500** items labeled with the National Human Trafficking Hotline distributed
- Over **130** corporate and community training presentations conducted, reaching over **4,300** people
- Discovery and reporting of **12** missing children tips reported to authorities

*Through March 2019

If you would like to learn more about volunteering or hosting a presentation please contact Laura Cusack at LauraC@PlaceOfHopeRinker.org

HUMAN TRAFFICKING
PREVENTION | EDUCATION | RECOVERY

"The human trafficking program at Place of Hope is making great strides in child safety. As a sponsor, it is very fulfilling to receive feedback when children are identified and recovered. We are thankful for the opportunity to help bring missing children home and to keep others safe through education."

- Jennifer Bate, Boca West Children's Foundation Executive Director
2018 Launch Grant Provider

"In the land of sunshine, there shouldn't be such darkness. Place of Hope is a leader in providing victims of human trafficking the love they need and a sunnier future. FPL stands with Place of Hope because their work reflects our commitment to a high quality of life in the communities we serve so businesses and families can grow and thrive."

-Thomas Bean, FPL Director of Public & Community Engagement

"Sex trafficking is not just an overseas issue, sadly it's very much an issue here in the U.S. as well. My goal is to saturate myself in knowledge so I can be an educated voice and advocate for those who have found themselves trapped in this horrible cycle."

- Maribel Gasque-Storms, Hope Campaign Volunteer

"At West Boca Medical Center, we recognize that human trafficking is an important public health issue that impacts individuals, families and communities. We strive to ensure our nursing staff is able to recognize the signs and symptoms associated with human trafficking as well as what steps need to be taken to help those in need. We are thankful to have partnered with "Place of Hope" who provided educational training via informative presentations to our staff and helped raise awareness among caregivers of this important issue."

-Ruth Schwarzkopf, West Boca Medical Center Chief Nursing Officer

TAKE ACTION

VOLUNTEER

THE HOPE CAMPAIGN is a monthly outreach where volunteers bring flyers of missing children and materials labeled with the National Human Trafficking Hotline to local hotels in Palm Beach County. We also provide materials labeled with the hotline to social services agencies, medical agencies and other groups that might interact with human trafficking victims.

HOST

"This was an amazing and eye-opening session that had our employees riveted. The surprising scope and reach of human trafficking in our community is a topic that every business and family should be aware of. Kudos to Place of Hope for taking this leadership role and for coordinating with our law enforcement and business leaders to create awareness and action."

-Mark Mileusnic, NCCI Chief Customer Operations Officer
