

Dear Faithful Place of Hope Sponsors and Supporters,

We hope you and your family are continuing to stay safe and healthy. As a past sponsor of our Hope Bash Boca, we wanted to take a moment to update you on our event plans for the balance of 2020. The safety and well-being of you and your family are important to us and we want to act responsibly when planning for larger gatherings later in the year.

Because Hope Bash Boca has become a key component to fundraising for our overall annual operating budget, we will be moving forward with a brand-new alternative idea which we hope you will be excited about! Your support will provide funding for affordable transitional housing, programs and essential resources to kids aging out of foster care, homeless youth, young mothers and survivors of human trafficking. These key funds are also needed to help train and support local foster families throughout the community. At this time, we would like to provide you with the opportunity to pledge your continued support of the work we do at Place of Hope through a new and socially responsible option we are calling Peninsula Dinner!

WHAT MAKES THE PENINSULA DINNER SO UNIQUE AND SPECIAL?

Imagine sitting at the dinner table with friends and family enjoying the farmer's bounty, the fisherman's catch or the rancher's specialty, all while outdoors and under the stars. Our **Inaugural Peninsula Dinner** will be a welcoming experience for all after spending so much time apart due to this year's COVID-19 crisis. This socially responsible, outdoor **culinary adventure** will be full of joyful reconnection as we gather to raise support for the children and youth at Place of Hope at The Leighan and David Rinker Campus. This event will offer guests an opportunity to celebrate Florida's rich history while enjoying the best cuisine our state has to offer. We cannot wait to gather and share the most fundamental conversations that can only happen around a dinner table.
